### **COVENANT CALENDAR**

### **STUDIES**

#### **Main Contributors:**

**Timothy Astleford & Charlene Fortsch**

*These studies address “day, month and year” components of Yahuah’s Blood Ratified Calendar for calculating His worship statutes. This elegant calendar is found between the pages of Gen 1:1 to Exo 24:11.*

*The strongest witness to this Covenant Calendar is found in our Messiah’s life, ministry, death, burial and resurrection. His patriarchs, prophets and disciples are “eye witnesses” to all He has given in the Everlasting Covenant as our Creator.*

# Covenant Calendar Studies Available for: 1) Day-start 2) Month-start 3) Year-start

Revised & Updated: March 2017

**Note:** For those interested in the individual Scriptural studies from the Bible stories on “when the day, month or year begins,” there are many to be shared. The best place to start is with the Day-start studies. It is strongly recommended that the Day-start study of Creation’s Light from **Genesis 1** be read first for the foundation to the whole packet of studies, then read the rest in order. Please note that many of the studies will fit into more than one category because of the material covered. If you have any questions or comments, please feel welcome to contact us by emailing: [Shofar1owr@gmail.com](mailto:Shofar1owr@gmail.com) (Tim Astleford) or [prophecysong@gmail.com](mailto:prophecysong@gmail.com) (Charlene/Richard Fortsch). (All studies have been researched and written by Tim Astleford & Charlene/Richard Fortsch since 2010.)
